

May 22, 2023

Dear Clients and Friends,

We are pleased to share a new change to our organization. Cornerstone is joining Insight Accounting Group, PC on July 1, 2023. This will enable us to provide continued great service and offer new and more in-depth services to our client base – Business Valuations, enhanced succession planning and business advisory services.

The transition will be managed for a smooth changeover. Our hope is for you to notice very little change and only great outcomes. We will discontinue doing business as Cornerstone CPA Group, LLP, and we will integrate everything and all our staff into Insight Accounting Group, PC. Your contacts and staff will be consistent, our location will still be at 3160 Windsor Court, Elkhart, IN 46514, and the phone numbers will remain the same.

Insight Accounting Group, PC has been serving our community for over 30 years and has offices in both Goshen and Mishawaka. We look forward to working with their five partners – Corbin Miller, Angie Eggering, Robert Mendoza, Danielle Thompson, Heather Birky and 20 highly qualified team members. You can learn more about Insight and our plans for the future by visiting www.insightcornerstone.com.

Much of the philosophy and values of client care, staff wellbeing and quality of service are very well aligned between the two firms. This has made our choice to join with them a healthy and wise next step to improve and increase client services and bring more value with new depth of staff.

Our relationship with you is highly treasured and makes us always want to do better and understand your personal and business needs to a greater degree. This move does that. So, come with us on this next adventure, check out the new things we will be involved in and benefit from new skills and knowledge from which you can draw.

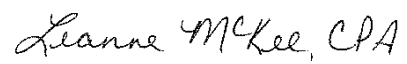

Our entire staff thanks you for the great working relationship we value and enjoy, and we want to answer all your questions and concerns as soon as possible. Please call or email or feel free to make an appointment to come in and talk to us. We want to share our excitement and pleasure as we begin to implement changes for our July 1st transition to Insight Accounting Group, PC.
